

What is a Trek?

A long journey through hidden valleys where there are few, if any, trails. A trek involves days of hard work, adventure and discovery.

**Every family is unique
But we all face the same challenges!**

Every family, no matter how close, has room to build and strengthen their relationships. But this doesn't happen by accident; it takes time and needs opportunities for growth.

This Fall, come and join us for a weekend of discovery! Learn new ways to communicate, to share openly and honestly and to appreciate everyone's unique gifts and abilities!

The Trek curriculum features interactive lessons, experiential education, peer support and personal reflection to enable families to develop the tools necessary to grow closer.

This Fall, make time for your family!

A Journey Toward Restoration And Renewal

**A JOURNEY TOWARD
RESTORATION AND RENEWAL**

**FAMILY WEEKEND
OCTOBER 26 - 28, 2012**

THE TREK AT CRESCENT LAKE
2750 Bible Camp Road Suite 3
Rhineland, WI 54501

(715) 203 - 0504 • info@thetrek.org

This is not your average weekend because you are not an average family. Your family is special and enjoys its own successes and faces its own struggles!

This Fall, we are going to be celebrating your achievements and, at the same time, work with you to help take your relationships to the next level...and beyond.

Through peer interactions, family sharing times, structured activities and workshops, *The Trek* will guide families on a journey to explore and strengthen communication skills, and to examine healthy interactions.

Our program uses a proven curriculum that combines individual and all-group sessions with hands-on experiential learning opportunities to help participants discover what they do well and to target areas for improvement.

Topics covered in this weekend will include:

- Communication
- Conflict Resolution
- Personal Responsibility
- Relationships (both healthy and unhealthy)

During the "down times", campers will have the opportunity to enjoy all that Crescent Lake has to offer. Challenge their climbing tower, explore Crescent Lake on a pontoon boat cruise, play a round of Disc Golf or simply relax around a campfire. All camp activities are included in the price of the program!

We will be offering this program October 26 - 28, 2012. The program fee is charged PER FAMILY based on lodging and includes all course materials, meals, lodging and recreation. Spaces are limited and will be filled on a first-come, first-served basis.

Call (715) 203 - 0504 for more information.

The Trek At Crescent Lake - Family Weekend 2012 Registration Form
